2026 ANTELOPE HILLS GID BUDGET MESSAGE

MESSAGE

Antelope Hills General Improvement District (the "District") was created by Ordinance No. 383, Series 1999. General improvement districts are for the development and construction of infrastructure for the Antelope Hills subdivisions within the Town limits. These General Improvement District (GID) services are reported in the component unit funds for the Town of Bennett. The Town of Bennett uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The Governmental Funds are accounted for using the modified accrual basis of accounting, and the balance of spendable resources (unreserved fund balance) is shown at year-end. The unreserved fund balance serves as a useful measure of a government's net resources available for spending at year-end.

We are pleased to present to the Board of Directors and residents, the 2026 Budget for the Antelope Hills General Improvement District. The complete 2026 budget will be filed with the State of Colorado on January 31, 2026 as well as posted to the Town of Bennett website on January 31, 2026. This budget represents our continued commitment to prudent fiscal management and has proposed several innovations in the organization of government, thereby advancing our ongoing efforts to continuously improve the efficient and effective delivery of Town services.

The following sums are appropriated from the revenues of the District, for the purposes stated:

General Fund	\$	92,749
Debt Service Fund	\$	413,445
Capital Projects Fund	\$	-0-
Total Fund Appropriations	\$	506,194

Per direction from the Board of Directors, a \$85,000 principal payment will be made toward the Antelope Hills debt.

The total valuation for assessment in the District is \$8,347,732. The amount of money necessary to be raised from property taxes for the purpose of the District's Debt Service Expenditures is \$306,445 which requires a levy of 36.710 mills upon each dollar of the total valuation for assessment of all taxable property within the District. A levy of 36.710 mills upon each dollar of the total valuation for assessment of all taxable property within the District is hereby approved and certified for levy and collection by Arapahoe County in accordance with law.

CONCLUSION

Town staff looks forward to another busy year of accomplishments and as always, seek the public's participation through promoting awareness in this challenging effort. We continue to be confident that the Board of Directors' vision will ensure an outstanding quality of life for the Bennett community and further enhance our history while balancing our future.

Sincerely,

Danette Ruvalcaba
Finance Director
